June 26-30: Acting Club
Ages: 6-8

This week will be filled with stories and adventures. Kids will learn to create a story script and then dig into the tickle trunk to get dressed up to act it out. This camp will use the principles from the *Learn to Play* program to help guide social success for all kids.

July 4 - 7: Oh Canada!
Ages: 9-12

Come celebrate what a great country we live in on this very special birthday! Play some classic Canadian sports, eat some tasty Canadian treats, create Canada themed crafts, discover famous Canadians, listen to Canadian music, explore our diverse landscape and learn about the animals that call Canada home too.

July 10-14: Kindergarten, Here I come!
Ages: 4-5

Get ready to learn and have a blast doing it! This week of hands-on learning is tailored for children that may need attention in areas such as language, literacy, play skills and/or fine motor skills. Designed by experienced pediatric speech-therapists and occupational therapists, this camp is sure to be both fun and educational.

July 17-21: Time Travel
Ages: 9-12

Jump in our time machine and travel back in time to explore fascinating periods in history like Ancient Egypt, Medieval times and Wild West. Fast forward a thousand years to the year 3017 to imagine how different our world will be. Leave a message in a time castle for future kids to read.

July 24-28: World of Wonders
Ages: 6-8

Get ready to make things go BOOM! Curious kids will love this week of hands-on learning. Be amazed as everyday items are transformed with wild and wacky science experiments. Discover how cool science is in this fun-filled weeks of science games, activities and experiments.

July 31-August 4: The Group Plan: Intro to Social Thinking
Ages: 3-5

Your preschooler will learn the foundations of 'social thinking' - how we think about ourselves and the world around us- through play and social interactions. We explore ideas like 'whole body listening', 'thinking thoughts and feeling feelings' and being part of the 'group plan'.

August 8-11: Our one and only Earth
Ages: 6-8

Learn all about the amazing planet we live on in this interactive and engaging week of Earth-themed crafts, games and activities. Go on a nature scavenger hunt, create a mini-ecosystem, learn all about insects and their important jobs, make funky crafts from recycling, and more!

August 14-18: Dragon's Den
Ages: 9-12

Do you have what it takes to make it in the Dragon's Den? Ignite your creative side this week and see if your invention can land a deal with the Dragons. Work in teams to hatch a great idea, bring it to life, show it off and finally, present it to our team of Dragons!

August 21-25: Movers and Shakers
Ages: 3-5

Get ready to run, play, dance, jump and MOVE your body all week long! Some kids learn best by moving their bodies and summer is the perfect time to get active outdoors. This week will be FULL of high-energy creative sports, games and activities for the little movers and shakers in the family.
